

Vision Screenings

Start-2-Soar & Mt. Ayr Lions Club to Offer Free Vision Screenings

Start-2-Soar/Ringgold County Public Health is again collaborating with Mount Ayr Lions Club to offer FREE vision screenings to children age 6 months through 6 years! We encourage ALL children in this age range to come in for a free examination. A parental consent form is required. For questions, contact Robin McDonnell, RN at 641-464-0691.

The screening event is part of a nationwide initiative called Lions KidSight USA, a national coalition that brings together Lions programs that screen children from 6 months to 6 years of age. KidSight USA was developed by Lions in the U.S. to protect the eye health of America's children in their early years. Lions in the U.S. currently screen more than 500,000 children per year.
